

# RB Farquhar

## case study

Client: South Ayrshire Council

Project: Bowling Championship, Northfield Bowling Complex, Ayr

### Client need:

South Ayrshire Council played host to home international, national and local bowling championships over an eight week period during the summer of 2006. They needed temporary accommodation and portable toilets to provide facilities for the players, officials and the spectators who came to watch the matches. The championships ran as a sequence of events over an eight week period. Budget was an important consideration for the council together with flexibility of provision to meet the differing needs of the men's and ladies' championships.

### Our solution:

RB Farquhar worked closely with South Ayrshire Council to achieve the desired quality and flexibility within their budget. We supplied nine cabins in optimum condition, together with six toilet blocks which could be altered to suit male or female users over an eight week period.

### Result:

We met the dates, budget and all South Ayrshire Council's requirements. We received positive feedback from the client and an invitation to become involved with the event again.
